Dear Sir:

I have the honour to inform you that at the meeting of the Council, held on May 9th, you were unanimously elected as an Associate Member of The American Numismatic Society.

We should be glad to know if you collect coins, medals or decorations, and would appreciate it if you would kindly fill our and return the enclosed card for our records.

If there is any way in which we can be of service to you, please feel free to call upon us; and I trust when you visit our Museum you will make yourself known to us so that we may place at your disposal any part of our collection which may not be on exhibition at that time.

Very truly yours,

Secretary

Dear Sir:

May I ask whether you would care to consider becoming a Fellow of the American Numismatic Society? As you probably know, the Fellows are limited in number, and it is only when a vacancy occurs that we are able to suggest promotions from our list of Associate Members. The annual dues of a Fellow are Fifteen Dollars.

As with the Metropolitan Museum, the title to our Museum and its collections is vested in the Fellows; and only those who are known to be interested in our objects are invited to become Fellows.

Very truly yours,

Secretary

The American Numismatic Society,
New York.

Dear Sir:

I duly received your esteemed
favor of 24th ultimo, but as we
were quite busy preparing to
move out here, it was overlooked.

While I greatly appreciate
the honor tendered me, do not
expect to be in New York very
often hereafter, so think it had
better be confirmed on someone
else.

Thanking you, I remain,
Yours very truly,
Charles E. Clapp.

Dear Mr. Clapp:

Some time ago you informed me that you wished to get plate catalogues of certain of the important American sales. I note that Mr. Hesslein's forthcoming sale that there is a copy of H. C. Miller's catalogue listed numbers 394. Perhaps you will already have noted the same item.

Very truly yours,

Secretary

Dear Mr. Noe:

Thank you for your letter about the Miller Plate catalogue, but succeeded in picking one up some time ago.

In fact, I think I now have all the Plate Catalogues, which illustrate many Colonials, except Borden and Gable: there may be some others, besides the ones I have, but I have not heard of them.

Yours very truly,
Charles E. Clapp
